### **BENJAMIN FRANKLIN PLUMBING® RANKED AMONG NATION'S TOP 50 LOW INVESTMENT FRANCHISES**

**Independent Research by Franchise Business Review places Clockwork Home Services brand among nation's best franchise opportunities**

SARASOTA, FL. July 20, 2009 – Clockwork Home Services, Inc. (Clockwork) today announced that Benjamin Franklin Plumbing® is ranked among the nation's top 50 low investment franchise opportunities, according to independent research by Franchise Business Review. Benjamin Franklin ranked #36.

Out of thousands of franchisees surveyed, just 50 companies received this award in 2009. These franchise opportunities all fall under \$100,000 investment and prove to be the best of the best in franchisee satisfaction, according to Franchise Business Review.

"Franchisee satisfaction is one of the most critical pieces of information to consider before investing in any franchise," said Eric Stites, Founder and President of Franchise Business Review. "Very few franchise opportunities have strong satisfaction among their franchise owners. Benjamin Franklin Plumbing is clearly one of the few franchise companies that truly delivers for their franchisees and we are happy to recognize them with this elite honor."

"We are pleased to be ranked as one of the nation's top low investment franchise opportunities," said Tab Hunter, president of franchise operations for Clockwork Home Services, Inc. "Independent contractors across the U.S. value being part of an organization that is consistently recognized for best practices, outstanding customer service and a solid brand reputation."
